

ODE TO WELLNESS WOODBIDGE HOSPITAL ENDOWMENT FUNDRAISING CONCERT

SUN, 20 APRIL 2008, 8PM
SINGAPORE CONFERENCE HALL

In aid of the Woodbridge Hospital Endowment Fund (WHEF) and to mark the Institute of Mental Health's (IMH) 80th Anniversary, IMH will be holding a charity concert featuring the Singapore Chinese Orchestra. President S R Nathan has been invited to grace the event as our Guest of Honour. Through this event, we hope fellow Singaporeans and fans of Chinese orchestral music will generously support this worthy cause and help make a difference to the lives of those who suffer from mental disorders, including depression, anxiety, addiction, dementia and schizophrenia.

Expect a charity concert with a difference! Enjoy music that is educational, entertaining, and therapeutic all at the same time. This concert, under the popular "SCO Casual Classical" series, continues the success formula of introducing Chinese orchestral music in a lively and interactive manner. Local celebrity Dick Lee once again takes on the role of SCO ambassador to tell the story of Dizi, Xiao and Xun - wind instruments each with its own characteristics and uniqueness. In a delightful celebration of wellness and life, the music combines the sharp, clear notes of the Dizi and the serene, meditative sounds of the Xiao and Xun. Other interesting pieces include Leroy Anderson's Chicken Reel, Fiddle-Faddle and The Syncopated Clock, which will showcase the fun loving, animated facet of Chinese music and give you a good laugh. Experience the healing effects of fun and laughter in this special concert brought to you by IMH and presented by SCO.

The Woodbridge Hospital Endowment Fund supports projects and programmes, which provide rehabilitation, welfare, educational intervention, early detection and intervention programmes and subsidies for needy patients, including children. Our patients need more than just medical treatment to help them get back on their feet.
